

## Multi-Engine Rating

Waterloo Wellington Flight Centre professional programs are approved as a vocational programs under the Private Career Colleges Act, 2005 (PCC#105919).

### Requirements

- Valid PPL or CPL
- Valid appropriate Medical Certificate
- Completed WWFC Customer Application
- Completed WWFC Rules & Regulations Package

### Knowledge

There is no Transport Canada Study and Reference Guide for this course, as there is no written exam. Knowledge of multi-engine theory and practical application of performance charts will be tested during the flight test. Your instructor will provide reading assignments to prepare you.

### Experience

An applicant shall have completed sufficient dual instruction to meet the flight test standards.

### Skill

An applicant shall successfully complete a flight test to the standard outlined in the Flight Test Standards – Multi-Engine Rating - Aeroplane (TP219) available at:

<http://www.tc.gc.ca/eng/civilaviation/publications/tp219-menu-3292.htm>

### Privileges

The holder of a Multi-Engine Rating may operate non-high-performance multi-engine aeroplanes as endorsed on their licence.

### Multi-Engine Rating - Aeroplane - Approximate Cost

WWFC Client Access Fee	\$150 annually	\$150
10 hours Dual PA44	\$463 per hour	\$4,630
